

Delock External Enclosure mSATA SSD > Multiport USB 3.0 + eSATAp

Description

This small aluminium-enclosure by Delock enables you to install a mSATA SSD and provides up to 4 different connecting options due to its special Multiport USB 3.0 + eSATAp interface. The Multiport is a combination of eSATA and USB 3.0 interface, which supports a fast data transfer and a voltage supply of up to 5 V. For extra voltage supply, when connecting via eSATA, you will find an additional power cable included in delivery.

Item no. 42508

EAN: 4043619425082

Country of origin: Taiwan,
Republic of China

Package: Retail Box

Connecting options:
