# USB Pinheader female > 2x USB2.0 female - horizontal (RD)

Description

This USB Pinheader-female adapter can be plugged to a free USB Pinheader-male of your mainboard in order to expand your system internally by 2 USB ports. Thus you can use e.g. connect an USB memory stick or USB-WLAN stick. Both female ports lead to the reversed direction of Pin 1, based on Pin 1 Pinheader on the mainboard.

Ref.   41762
