

Test Conditions :
High Voltage Test : 300V Volt
Insulation Resistance : 10.0M ohm
Conduction Resistance : 5.0ohm
Features : Finished product 100% pass
electrical test , NO open circuitort circuit,
mismatch and electrical flash
Test Conditions :
High Voltage Test : 300V Volt
Insulation Resistance : 10.0M ohm
Conduction Resistance : 5.0ohm
Features : Finished product 100% pass
electrical test , NO open circuit /short circuit,
mismatch and electrical flash
