

# Delock DisplayPort 2 - 1 Switch bidirectional 8K 30 Hz

#### Description

This DisplayPort switch by Delock is a manual bidirectional switch for connecting different devices with DisplayPort port. This switch offers two different applications.

1.

Up to 2 devices can be connected to a monitor, TV or projector. At the push of a button, the device that is displayed on the screen can be selected.

2.

A DisplayPort device can be connected to up to 2 screens. The screen on which the signal is displayed can be selected at the touch of a button. Simultaneous output to multiple screens is not possible.

#### Note

Please use short length and high-quality cables, especially for higher resolutions.
