

Delock Ergonomic vertical Laser 4-button mouse 2.4 GHz wireless - left / right handers

Description

This wireless vertical mouse by Delock is due to its special design suitable for right handers as well as left handers and will be connected to the computer via the compact USB receiver. During transport it can be placed inside a compartment at the bottom of the mouse. The 2.4 GHz wireless technology provides a maximum operating range of up to 10 meters. Due to its ergonomic design, the hand remains in upright position and does not have to be turned. Thus the mouse can be used preventive or with starting pain e.g. RSI (Repetitive-Strain-Injury). The R/L switch on the bottom side supports the change between right hander and left hander. Accordingly the orientation of the mouse will be set for the respective usage. By pressing the DPI button the sensitivity of the mouse can be adjusted, there are four adjustable DPI levels: 400 / 800 / 1400 / 2000.

Item no. 12553

EAN: 4043619125531

Country of origin: China

Package: Retail Box
