Delock Optical 7-button USB Gaming Mouse - right hander

Description

This high quality USB gaming mouse by Delock offers due to its versatile features a precise and fast gaming experience. Different setting options are supported by using the included software, e.g. mouse illumination, single programmable buttons, polling rate up to 1000 Hz as well as different dpi-values up to 10000 dpi.

Ergonomic design for right handers
Due to its ergonomical design, the gaming mouse lies comfortably in the hand and hence reduces the strain of the hand during gaming.

Luminous gaming experience
The software offers up to 5 different modes with individual setting options, like e.g. colour gradient or single colours.

High quality design
The gaming mouse convinces with its stable housing and the rubberized surface on the sides. The ca. 1.8 m long USB connecting cable is equipped with a ferrite core and covered with a sturdy textile shielding. The gold-plated USB connector as well as the hook-and-loop fastener, completes the high quality design.

1,8 m

Item no. 12670

EAN: 4043619126705
Country of origin: China
Package: Retail Box

Specification

- Connector: 1 x USB 2.0 Type-A male
- For right handers
- 7 programmable buttons: 6 standard buttons, 1 scroll wheel
