

Delock Cable Management Set 5 pieces

Description

This cable management set by Delock is perfect for keeping exposed cables tidy, protected and clear, e.g. in the office or at home. It includes three cable holders, a spiral hose and a hook-and-loop tape.

Cable holders

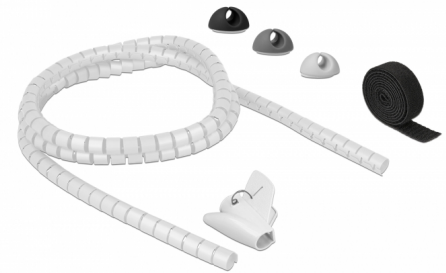

They are self-adhesive and can be easily attached to any smooth surface, such as a desk or wall and removed without leaving any residue. With their small round design, the cable holders fit inconspicuously into any room.

Spiral hose with pull-in tool

The spiral hose can be used to bundle cables and protects them from dirt or damage. The pull-in tool, which is included in the content of delivery, enables easy threading of the cables.

Hook-and-loop tape on roll

The hook-and-loop tape can be used e.g. for space-saving bundling of single cables, for closing bags or also as a retaining strap for luggage or similar. The tape can either be sewn, nailed or stapled to the object. The hook-and-loop fastener makes it very easy to attach and detach the hook-and-loop tape, which makes it reusable. It can be easily cut to the desired length by using a scissor.

Item no. 18392

EAN: 4043619183920

Country of origin: China

Package: Zip poly bag

Specification

- 3 x cable holder:
Height: ca. 15 mm
