Delock Sorting box with 11 compartments 220 x 155 x 60 mm orange / black

Description

This practical sorting box by Delock can be used to store various tool accessories such as screws or various small parts. In addition, the box provides clarity, tidiness and protection of the objects. The content in the box remains visible.

Adjustable and removable compartments
By moving the partition in the middle of the sorting box the size of the compartments can be individually adjusted to store suitable items. A smaller box with 5 compartments each in the back can be removed and create further space to store several items.
