

Delock Fire-Proof Sleeving Silicone-Coated 2 m x 10 mm red

Description

This fire-proof sleeving by Delock is used to protect against high temperatures and to insulate cables, electrical tubes or wires. Furthermore, the sleeving can be used to bundle exposed cables, electrical tubes or wires to protect them from dirt or damage.

Ø 10 mm / 2 m

Stretchable

The sleeving is very stretchable, which allows to accommodate multiple cables or tubes with different diameter.

Item no. 18897

Brilliant resistance

The sleeving is characterized by its abrasion resistance and heat resistance.

EAN: 4043619188970

Country of origin: China

Package: Zip poly bag

Simple application

The cables and tubes need only to be pushed through.

Reusable

The cables and tubes can be added or removed multiple times.

Cuttable

A hot cutting tool can help to shorten the length of the sleeving individually.

Specification

- Length: ca. 2 m
- Diameter: ca. 10 mm (stretchable)
- Cable diameter:
min.: 10 mm
max.: 14 mm
- Operating temperature: -50 °C ~ 260 °C
- Reusable
- Material: silicone rubber
- Fire-resistance rating: 94V-2, VW-1

- Colour: red

Package content

- Fire-proof sleeving
