

Delock Cable Duct for under-table mounting 63 x 28 mm - length 400 mm 2 pieces white

Description

This cable duct by Delock can be used to bundle and conceal exposed cables under the desk. The sturdy plastic protects the cables from dirt and damage.

Easy mounting

The cable duct can be attached with the supplied 3M adhesive tape on the bottom and can be easily and smoothly attached to the table. Optionally, the cable duct can also be attached with screws.

Plenty of space for different cables

Depending on the diameter and thickness of the individual cables e.g. HDMI cables, audio cables or power cables can be accommodated. Thus the cables are safely and orderly stowed away.
