

Navilock Dual Laptop Security Cable with Key Lock for Kensington slot 3 x 7 mm and Noble Wedge slot 3.2 x 4.5 mm

Description

This laptop security lock by Navilock enables to **lock two different devices** e.g. laptop, projector, monitor etc. at any place. The steel cable with its **1.8 m** and **key lock** can be tied easily around objects like chairs, table-leg or anything similar and thus the device will be saved against theft. Because of the small design of the lock, this security cable is ideal for slim netbooks.

Kensington slot compatible

This laptop security lock is compatible with the **standard Kensington slot**. The Kensington slot is the **3 x 7 mm** opening on the housing. On many devices this opening is marked with a lock symbol.

Noble Wedge slot compatible

The **Noble Wedge** slot is the **3.2 x 4.5 mm** opening on the housing. On many devices this opening is marked with a lock symbol.

1,8 m
