

# Delock Thunderbolt™ 3 External Portable 960 GB SSD M.2 PCIe NVMe

## Description

This portable SSD by Delock can be connected to a PC or laptop via Thunderbolt™ 3 interface. Due to the small dimensions, the SSD is ideal as on the go companion. The high read and write speed supports fast data transfer even for big amount of data, which is particularly important in the photo and video range. The robust metal housing with cooling fins on the sides ensures an optimum temperature of the memory.
