# Delock Standoff M2.5, hexagon, inside, 10 mm black 4 pcs

Description

These standoff spacers by Delock can be used for secure mounting of PCBs to create a fixed distance between a printed circuit board and other components. By separating the PCBs from other components, the spacers allow a better ventilation and offer an optimal resistance to high temperatures, e.g. inside of a PC case.

4 x

Item no. 60243

EAN: 4043619602438

Country of origin: Taiwan, Republic of China
Package: Zip poly bag

Specification

- Length: ca. 10 mm
- Thread size: M2.5
- Thread type: inside
- Thread length: 5.5 mm
- Spanner width: 6.9 mm
- Shape: hexagon
- Fire-resistance rating: 94V-2
- Material: plastic
- Colour: black

Package content

- 4 x standoff
