

# **Delock Cable Gland with strain relief PG21 black**

## Description

This cable gland by Delock allows a watertight seal to the housing for the lead-through of cables and electrical tubes.

#### Additional protection through strain relief

Due to the bend protection spiral, the flexible cables are secured and protected from excessive bending, e.g. in the case of moving machine parts.

#### IP68 dust and waterproof

The cable gland also offers increased protection against dirt and moisture.

#### **Multifunctional application**

The robust design is ideal for use in automation, the robotics industry and machinery.
