

# Delock Cable Gland PG21 with strain relief and bending protection black

## Description

This cable gland by Delock allows a watertight seal to the housing for the lead-through of cables and electrical tubes.

### Additional protection through strain relief

The screw-on strain relief fixes the cable and protects it from excessive bending, e.g. in machinery. The cable remains in their original position even during vibrations and they cannot fall out.

### IP68 dust and waterproof

The cable gland also offers increased protection against dirt and moisture.

### Multifunctional application

The robust design is ideal for use in automation, the robotics industry and machinery.

**Item no. 60359**

EAN: 4043619603596

Country of origin: China

Package: Zip poly bag

## Specification

- Thread size: PG21
- Thread length: 10 mm
- Spanner width: 33 mm
- Protection class: IP68
- Cable diameter:  
min.: 13 mm  
max.: 18 mm
- Operating temperature: -40 °C ~ 100 °C
- Material: plastic / metal
- Colour: black RAL9005

## Package content

- Cable gland
