

# Delock Cable Gland PG21 for round cable with two cable entries grey 2 pieces

## **Description**

This cable gland by Delock allows a watertight seal to the housing and is ideal for feeding through two round cables or electrical tubes.

#### IP68 dust and waterproof

The integrated seal also offers increased protection against dirt and moisture.

### **Multifunctional application**

Due to the robust design, cable glands are often used in automation and machine systems.
