Delock Cable protection sleeve 2 m x 13 mm with 2 x PG9 conduit fitting set black

Description

This set by Delock consists of a cable protection sleeve and a conduit fitting. The gland can be simply attached to the corrugated protective sleeve and provides a waterproof seal to the enclosure for passing cables and electrical wires.

IP67 dust and waterproof
The gland, in combination with the protective sleeve, provides increased protection against dirt and moisture.

Excellent flexibility and resistance
The protective conduit is characterised by its high abrasion, temperature and chemicals resistance. In addition, the conduit has a high degree of flexibility to protect cables from excessive bending.

Multifunctional application
Due to the robust design, conduit fittings are often used in installations, automation and machine systems.

Ø 13 mm / 2 m

Item no. 60462

EAN: 4043619604623

Country of origin: China

Package: Zip poly bag

Specification

- Length: ca. 2 m
- Diameter: ca. 13 mm
- Reusable
- Flexible
- Thread size of conduit fitting: PG9
- Screw mounting with 10 mm bore hole
- Protection class: IP67
- Operating temperature: -30 °C ~ 80 °C
- Material: plastic
- Colour: black
