

# Delock Cable Gland with strain relief 90° angled PG11 black

# **Description**

This cable gland by Delock allows a watertight seal to the housing for the lead-through of cables and electrical tubes. The angled design is perfectly suited to use the cable gland in installation areas with limited space.

#### Additional protection through strain relief

Due to the bend protection spiral, the flexible cables are secured and protected from excessive bending, e.g. in the case of moving machine parts.

### IP68 dust and waterproof

The cable gland also offers increased protection against dirt and moisture.

#### Multifunctional application

The robust design is ideal for use in automation, the robotics industry and machinery.

#### Item no. 60583

EAN: 4043619605835 Country of origin: China Package: Zip poly bag

#### **Technical details**

Thread size: PG11
Thread length: 9 mm
Spanner width: 22 mm
Protection class: IP68

 Cable diameter: min.: 5 mm max.: 10 mm

• Operating temperature: -40 °C ~ 100 °C

Material: plastic

Colour: black RAL9005

# Package content

# • Cable gland
