Delock Condenser Microphone Uni-Directional for Smartphone / Tablet 3.5 mm 4 Pin Stereo Jack 90° angleable black

Description

This microphone by Delock is designed for mobile use on a smartphone or tablet. It has a longer range than the built-in microphones and is ideal for recording voice recordings, interviews, conferences, lectures, etc.
The microphone can be angled up to 90° and can therefore be turned into the preferred angle. With the included Y-adapter, the use of a headphone is still possible.
