

Delock USB Type-A Adapter to 2.5 Gigabit LAN slim

Description

The adapter by Delock expands a PC or laptop by **one network interface** via the **USB Type-A** interface.

Fold-out RJ45 jack

The RJ45 jack can be folded out to insert the networking cable. This allows for a particularly slim design. With the small dimensions, the adapter is **space-saving** to transport and can be used practically everywhere.

NBASE-T for higher speed

Modern services and new technologies require higher bandwidths. NBASE-T technology enables speeds of **1 Gbps and 2.5 Gbps** with conventional networking cables. The best possible transmission rate is set automatically.
