Delock 19″ Cable Management Brush Strip with 3 hooks 1U grey

Description

This brush strip by Delock is suitable for installation in a 19″ network cabinet.
Proper laying of cables
The network cables are simply routed from the front to the rear, so the view of the cables inside the network cabinet is blocked and the network cabinet leaves a tidy overall impression.

Cable routing hook for optimal cable management
With the solid hooks the patch cords can be neatly routed horizontally.

Protection against foreign particles
The included nylon brushes prevent ingress of dust and dirt.
