

# Delock Professional Computer Podcasting Microphone with XLR connector and 3 pin stereo jack male + adapter cable for Smartphone and Tablet

## Description

This professional condenser microphone by Delock can be used for high-quality voice and vocal recordings.

#### **Optimal recordings**

The microphone has a high-quality **16 mm condenser chip** and a **cardioid polar pattern** (**unidirectional**) and therefore ideally captures the sound. Due to high power, low self-noise and precise performance, even the finest sounds are recorded crystal clear.

#### Good windscreen

Due to the included windscreen, the recording quality is further optimized. Disturbing wind noises are optimally filtered.

#### **Multifunctional application**

It can be connected to any PC or laptop via the**detachable XLR** to **3 pin stero jack cable**. With the **included 4 pin Y-adapter cable**, it can also be connected to a tablet or smartphone.

#### Stable & non-slip stand

The metal stand with rubber feet ensures that the microphone stands stable on the table. The microphone holder can be adjusted in a 180° angle as required. The table stand can be easily folded and transported when needed.
