

Delock Brush Strip self-adhesive 10 mm - length 5 m black

Description

This brush strip by Delock can be used to seal doors, windows, gates or roller shutter boxes. The flexible brushes prevent ingress of dust and dirt and keep out draughts.

Easy installation and can be shortened individually

The adhesive strip can be simply removed and the brush seal can be attached to the desired location. The place where the seal can be attached should be thoroughly cleaned before and the brush strip should be cut to the appropriate length.

5 m
