Delock RJ45 Network Cable PROFINET SF/UTP 90° angled 5 m green

Description

This network cable by Delock can be used to connect different networking devices, e.g. a NIC to a switch or a patch panel. The angled plug enables a space-saving installation in tight spaces behind appliances or in network closets.

PROFINET standard

The cable is particularly characterised by the PROFINET standard and its strain resistance from the connectors and the cable. The robust jacket made of PUR material protects from excessive bending, e.g. in moving machine parts and drag chains.

5 m

Item no. 80125

EAN: 4043619801251
Country of origin: China
Package: Zip poly bag

Specification

- Connectors:
  1 x RJ45 plug
  1 x RJ45 plug 90° angled
- 1:1 connected
- Cat.6 specification
- Shielded SF/UTP
- Cable gauge: 26 AWG
- Cable diameter: ca. 7.0 mm
- Environmental temperature: -20 °C ~ 75 °C
- Cable jacket material: PUR (TPU)
- Colour: green
- Length: ca. 5 m

System requirements

- A free RJ45 jack

Package content

• Patch cable

General

Specification:	Cat. 6

Interface

Connector 1:	1 x RJ45 male
Connector 2:	1 x RJ45 plug 90° angled

Technical characteristics

Operating temperature:	-20 °C ~ 75 °C

Physical characteristics

Conductor gauge:	26 AWG
Shielding:	SF/UTP
Length:	5 m
Colour:	green
Cable jacket material:	PUR (TPU)
