

Delock High Speed HDMI Splitter cable 1 in > 2 out 2 m

Description

This HDMI splitter by Delock enables you to display a HDMI input device, e.g. a DVD-player, PC or other HDMI devices on up to 2 output sources, e.g. monitors. You can display the same picture on both devices. Thus the Delock HDMI splitter is most suitable for presentations. Furthermore the USB cable on the splitter enables an additional power supply.
