

Delock Audio Retractable Cable 3.5 mm 3 Pin Stereo jack male to male 90 cm

Description

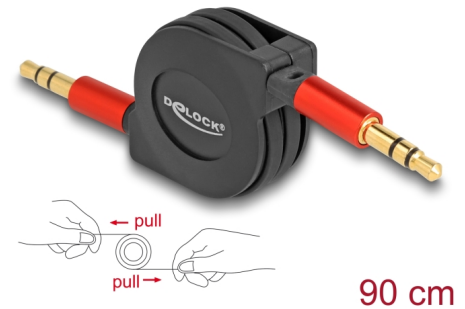

This practical audio retractable cable by Delock can be used for connection of different audio devices with 3.5 mm stereo jack female interface.

Useful companion

Due to its small size, the cable is a practical companion on the go and always at hand. A knotting of the cables is avoided by its winding mechanism.

Flexible

The audio cable can be pulled out in six stages and thus offers different cable lengths, depending on requirements. For this purpose the cable must be pulled out on both sides.

Item no. 85369

EAN: 4043619853694

Country of origin: China

Package: Zip poly bag
