Delock USB Retractable Cable Type-A to Lightning™ white / pale pink

Description

This practical retractable cable by Delock can be connected to a PC or laptop with USB-A port and can be used to transfer data and charge the connected device.

Useful companion

Due to its small size, the cable is a practical companion on the go and always at hand. A knotting of the cables is avoided by its winding mechanism.

Flexible

The cable can be pulled out in five stages and thus offers different cable lengths, depending on requirements.
