

Delock Coiled Cable 3.5 mm 3 pin Stereo Jack male to Stereo Jack male with screw adapter 2 m

Description

This stereo cable by Delock can be used for connection of different audio devices with 3.5 mm or 6.35 mm stereo jack female interface. The included stereo jack adapters can be screwed onto the 3.5 mm stereo jack male connector and support a stable connection. Thus this cable can be also used for connections of audio devices with 6.35 mm interface.

2 m

Special Cable shielding

The outer TPU material of the cable jacket makes it much more flexible and resilient when using it.

Coiled Cable

The coiled cable can be stored easily and does not take too much space compared to common cables.

Item no. 85837

EAN: 4043619858378
