Delock Network Toolkit for RJ45 and RJ11

Description

This toolkit by Delock contains all tools for the installation of network cables.
In addition to two wire strippers, a crimping tool and a network tester, a practical box with RJ45 and RJ11 connectors and replacement blades for the pliers are included.
Due to the included RJ45 coupler, e.g. two cables can be connected together.

Always all together
In the handy bag the set is safe to carry and quickly ready for usage.

Item no. 86696

EAN: 4043619866960
Country of origin: China
Package: Retail Box
