

Delock Fiber optic wall distribution box with double door grey

Description

This fiber optic distribution box by Delock can be used for wall mounting and serves as a protective housing for optical cables and couplings. The integrated adapter plate allows to accommodate 24 fiber optic couplings of the types SC, LC, FC, ST or E2000 in the distribution box. The fiber optic cables can be fixed in the housing via two cable entry openings at the top and bottom with metric cable glands.

Item no. 86837

EAN: 4043619868377

Country of origin: China

Package: Box

Specification

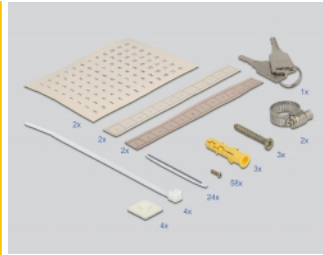

- Fiber optic cable wall distributor lockable
- Adapter plate for up to 48 fibers
- 2 cable entry openings at the top and bottom
