

Delock Hot Cutter with cutting tip

Description

This hot cutter by Delock can be used to cut e.g. braided and woven sleeves. The individual threads on the cut edge of the braided sleeve do not fray but melt and leave a clean overall impression.

Adjustable temperature

The optimum temperature can be set on the controller by moving the dial forwards or backwards. The cutting temperature is reached within seconds.

Multifunctional application

The hot cutter is also ideal for cutting ropes, tapes, or belts.

Item no. 86960

EAN: 4043619869602

Country of origin: China

Package: Box

Specification

- Cuts quickly and cleanly
- No fraying of the cable sleeves
- Temperature adjustable
- Operating voltage: 230 V
- Rated power: 80.0 W
- Heating temperature: max. 500 °C
- Cable length: ca. 3 m
- Colour: blue
- Material: plastic, metal

Package content

- Hot cutter
- Cutting blade
- Allen key
- Cleaning brush
- User manual
