

Delock HDMI 3 - 1 Switch bidirectional 4k 30 Hz

Description

This HDMI switch by Delock is a manual bidirectional switch for connecting different devices with HDMI port. This switch offers two different applications.

1. Up to 3 devices can be connected to a monitor, TV or projector. At the push of a button, the device that is displayed on the screen can be selected.

2. An HDMI device can be connected to up to 3 screens. The screen on which the signal is displayed can be selected at the touch of a button. Simultaneous output to multiple screens is not possible.

Item no. 87619

EAN: 4043619876198

Country of origin: China

Package: Retail Box
