Delock Keystone Module USB 3.0 A female to USB 3.0 A female black (1:1)

Description

This module by Delock can be used to extend e.g. a USB cable. With its standardised dimensions it can be used for easy snap-in mounting in e.g. a Keystone patch panel, face plate or surface-mount box.

Note

The product cannot be used in conjunction with a standard crossover USB 3.0 Type-A male to male cable.
