

Delock Smartphone Docking Station 4K with integrated holder - HDMI / USB / Hub / SD / Micro SD for Android or Windows

Description

This smartphone docking station by Delock is the ideal addition to your desk or when traveling and turns a smartphone into a full desktop system. In addition to 3 plug & play capable USB Type-A ports, it also offers an HDMI interface, as well as an SD and Micro SD slot for memory cards. A monitor with a maximum resolution of up to **4K 30 Hz** can be operated at the HDMI output.

Low power mode

The docking station draws its power from the phone thanks to low the power mode but can also be operated with the smartphone power adapter for more power or to relieve the phone.

Note

The docking station is suitable for Android smartphones that have the USB 5 Gbps standard and a USB Type-C™ port as well as supporting DisplayPort Alternate Mode.

Item no. 88018

EAN: 4043619880188

Country of origin: China

Package: Retail Box
