

Delock Crimping tool for terminal crimp contacts AWG 20/24/28

Description

With this tool by Delock, a terminal crimp contact can be quickly and easily connected with a wire. The rubberised handles provide a firm grip during the crimping process.

Integrated blade

The plier has an integrated blade to allow working in one step.

Note

The plier is equipped with an opening spring, with a smooth suspension which makes it easier to work with one hand.

Item no. 90542

EAN: 4043619905423

Country of origin: China

Package: Blister

Specification

- Metal pliers with plastic handles
- Cable suitable for crimping: AWG 20/24/28
